

The Challenge of Me

Master Supply list

To prepare for Lisa's class, please gather the following tools and supplies:

- an American Crafts Corduroy album in the size assigned to you. (Please see note below before purchasing an album!) You can pick from a large selection of colors here!
- If you will be creating single-page layouts, you will need a total of 17 page protectors. If you will be creating double-page layouts, you will need a total of 29 page protectors. The American Craft Albums come with 10 page protectors, so you'll want some additional page protectors like these.
- 1 1/2" or larger circle punch (I used a scallop circle punch).

Note: After you sign up for this workshop, you will take a survey and then I will assign a challenge layout/album size for you to use, so I urge you to wait for your assigned size before purchasing an album. In making assignments, I will choose from the following sizes: 8" x 8", 12" x 12", 8 1/2" x 11", or 6" x 12".

As for other supplies, this class is a "use your stash" kind of class. The only required supply is the album (for layout storage) along with some extra page protectors.

See you in class!
