KAREN GRUNBERG | MASTER SUPPLY LIST

At Big Picture Scrapbooking, substitutions are encouraged! Our supply lists are designed to help you use what you have on hand. When you do need help or additional supplies, we believe the personal attention at your local scrapbook store can't be beat. We are pleased to be in partnership with Scrapbook.com to offer you a visual reference to tools and products you will need to gather. We cannot guarantee the availability of every item on this list, but we work diligently with the Scrapbook.com team and appreciate their efforts to provide a convenient, one-stop resource online.

If you live in the South Pacific, please shop with our partner Craft House for more convenient shopping in your part of the world!

To prepare for Karen's class, please gather the following:

- a Basic tool kit (to purchase items like these click [here](#)).
- a [crop-a-dile](#) or hole punch.
- a [1 1/2" circle punch](#).
- a mini-book, with pages at least 5" x 7".
- three sheets of 12" x 12" patterned paper, each with the same dominant color (I used papers that were mostly blue).
- for this album, you need to pick two colors that go together (one loud and one quieter one). I picked red and blue. You need three sheets of 12" x 12" patterned paper in each color and one more 12" x 12" sheet that matches both colors (7 total).
- four sheets of 8 1/2" x 11" cardstock, two in each color. (I used [kraft](#) and [white](#).)
- one sheet of alphabets.

- two pieces of ribbon, one each in the colors you picked.
- label maker or labels and pen.
- [black ink pad](#).
- [a black pen](#).

None of the supplies above are actually required. You can completely use your own stash. You can even make layouts instead of a mini-book if that's what you prefer.

The supplies you use aren't that important: what matters is that you use this opportunity to reflect upon your life.

See you in class!

Karen
