Supplies needed for this class:

This class is designed to build your confidence and skill when using your computer to create titles and journaling for your scrapbook pages. The class supply list is very minimal!

- **Photoshop Elements, Photoshop or Microsoft Word** You'll need access to a computer and either of these programs to complete your class assignments.
- **Basic Scrapbooking Supplies** You'll need cardstock, patterned papers, or whatever else you might like to work with to create the layout assignments for this class. The assignments are somewhat open ended, as I want you to create pages with titles and journaling using the tips you'll learn in the video presentation.

Now that you've got your list, here's what to do!

- First, shop your stash! At Big Picture Classes, substitution is encouraged! We hope you'll adapt this supply list to make use of what you already have on hand.
- Support your local scrapbook store! If you need to go shopping, take this printed list with you (after you've crossed off or marked everything you already have at home, of course).
- If you prefer the convenience of shopping online, we encourage you to visit our partners at scrapbook.com for your supply needs.
- If you're new to scrapbooking, welcome! Our friends at scrapbook.com have created a fabulous selection of basic supplies that Big Picture Classes recommends for all scrapbookers. To see our store and selection of basic supplies available individually or as a kit, click [HERE](#).
