

Unpack Your Vacation Memories

Tami Morrison | Master Supply List

To prepare for Tami's class, please gather the following:

- scoring tool
- [Zip Dry](#) or [strong double-sided tape](#) (or your favorite heavy-duty paper adhesive)
- pressboard suitcase such as those available at [Paper-Source.com](#). (My main project features the large size; the medium size is featured in a bonus project.)
- nine sheets of 12x12 cardstock
- A selection of several sheets of patterned paper and coordinating embellishments*
- Optional (for large suitcase only): [pencil pouch](#) or [photo envelope](#) for memorabilia storage

*This project can be equally successful with a matching line of travel-themed products from a single manufacturer, paper and embellishments chosen from your stash, or any combination thereof. When creating a mini album, I prefer the ease, timesaving convenience, and unified look of a matching line.

The three collections I used in my examples are:

- American Crafts Travel Collection
- Making Memories Passport Collection
- Cosmo Cricket Mr. Campy Collection

As with any good vacation package, this project offers you some customizable options. I would recommend waiting to purchase supplies until you have read through the handout and decided which route you would like to take.

Now that you've got your list, here's what to do!

- Support your local scrapbook store! If you need to go shopping, take this printed list with you (after you've crossed off or marked everything you already have at home, of course).
